FFA ASSOCIATION SCHOLARSHIPS

Oregon FFA Scholarships

Eligibility Requirements for all scholarships:

1. Must be an Oregon resident and have or plan to graduate from an Oregon high school.
2. Must be a United States citizen or eligible non-citizen.
3. Must be a current member of the Oregon FFA Association.

All scholarships are offered from the listed sponsors. Scholarships could change due to sponsor requests. Please review the requirements of each sponsor. Finalists will be notified by March 1, and scheduled for an interview at the State Convention by the Oregon FFA Association. Winners of all scholarships will be announced at the State Convention.

All scholarships are in the form of cash awards. Recipients of awards must enroll as full time students in a school within 12 months after the date the scholarship was awarded. The only exception will be if the winner is elected to a State or National FFA Office. The recipient will then be allowed to reserve the scholarship until the fall term of school after the term of office is completed. Recipients of awards must provide a copy of their class schedule for their term(s) in school. This documents that the recipient is meeting the requirements of the scholarship. Upon receipt of the class schedule, the sponsor or appropriate foundation will send a check for the amount of scholarship for that school term/year to the institution as specified in the requirements.
