

TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered At:

**Portland
Community College**

CORVALLIS

ECAMPUS

LA GRANDE

Agricultural Sciences

The Agricultural Sciences major gives you the freedom to design your own degree. As part of the degree program, students can choose from various agricultural-based credits and electives.

You can go broad with exposure to all areas of agriculture, go deep with two or more emphasis areas — or do a combination of both. If you're interested in becoming a teacher, an Agricultural Sciences degree is an ideal first step.

Your Bachelor's Degree (BS) in Agricultural Sciences

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
- More info for Corvallis Campus: <https://agsci.oregonstate.edu/degree/undergraduateagricultural-sciences-major>
- More info for LaGrande Campus: agsci.oregonstate.edu/agprogrameou/degree/agricultural-sciences

Courses Required for Agricultural Sciences Major

Core Requirements This list is not comprehensive. Contact an OSU advisor for more information.	PCC Equivalent Course	OSU Course	Notes
