Environmental Economics and Policy

How does your local food system interact with the global marketplace? What knowledge and skills do you need in the current agriculture and food industries? Majoring in Agricultural and Food Business Management allows you to answer these questions and more. In this degree program you will be an expert at navigating the intersection of business and agriculture. We will give you the tools and skills you need to handle the problems you will face in the future.

Your Degree (BS) in Environmental Economics and Policy

- Science, Technology, & Society

Important Notes & Resources

- Grade requirements: see the Environmental Economics and Policy website for more information (appliedecon.oregonstate.edu/appliedecon/environmental-economics-and-policy-major).
- See a sample degree plan by searching "Environmental Economics and Policy” in the OSU Catalog at catalog.oregonstate.edu or find a sample degree plan on the EEP Degree Fact Sheet agsci.oregonstate.edu/degree-fact-sheet/environmental-economics-policy.
- Other similar majors to explore: Business, Economics, Agricultural Food Business Management, and Agricultural Sciences. Check out the OSU catalog to explore these majors at catalog.oregonstate.edu.
- 100 and 200 level classes and lower division Baccalaureate Core are priority courses to complete before transferring to OSU.
- For Environmental Economics and Policy (EEP) students, the best time to transfer is fall term, particularly due to the EEP series courses. Talk with an OSU advisor about your specific timeline.
- It is important to speak with the EEP Advisor, Tjodie Richardson, early on, and often, to ensure correct course selection and sequencing for programs offered at the Corvallis campus and via Ecampus. Tjodie can be reached at tjrichardson@oregonstate.edu.

Resources and OSU Information:

- Students do not have to complete a transfer degree in order to transfer to OSU.
  - If you’ve completed the Oregon AAOT, all requirements of the Baccalaureate Core are complete except for Synthesis Courses and Writing Intensive Courses.
Preparing to apply to OSU? See transfer student admissions info: transfer.oregonstate.edu
Want to take classes at both OSU and an Oregon community college? Check out the Degree Partnership Program: partnerships.oregonstate.edu/students

Advising Contacts

Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. **See your community college advisor first and use this Transfer Guide to help you plan.** It is important to speak with your OSU academic advisor early on, and often, to ensure correct course selection and sequencing. See visitosu.oregonstate.edu/visit-campus to schedule your personalized visit.
