

TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered At:

CORVALLIS

ECAMPUS

**Oregon Coast
Community College**

Environmental Economics and Policy

Most environmental and natural resource challenges are caused by human activity and government policy. Majoring in Environmental and Economics and Policy allows you to study environmental sciences through the lens of human behavior and

Government policy, and to become an expert at identifying solutions to our current problems. You will learn that while policy and human behavior lie at the heart of many challenges, they are also our best hope for creating a better future.

Your Bachelor's Degree (BS) in Environmental Economics and Policy

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
