Food Science and Technology

As Alton Brown says, “All food is science,” and nothing could be truer. Food science, and related technologies, are at the heart of the development and delivery of safe, appealing and convenient food products, at every step from the farm gate to the food marketer. The academic program integrates principles and concepts in the physical, biological and engineering sciences, and applies them to the scientific and technological aspects of food processing. Graduates are well prepared to address the complex undertaking of assuring an abundant, high quality, nutritious and sustainable food supply.

Your Bachelor’s Degree (BS) in the College of Agricultural Sciences

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor’s degree at OSU.
- Only courses with letter prefixes and numbers above 100 can be accepted.
- Some courses can count towards your major and the Baccalaureate Core. Check with your advisor.
- Options available. See "Important Notes".
- See the OSU Catalog for a list of courses required for your major and option: catalog.oregonstate.edu

Priority courses to complete before transferring are distinguished by ^

Important Notes & Resources

Important Notes for the College and Major:
- See a sample degree plan by searching “Food Science and Technology” at admissions.oregonstate.edu/find-your-major
- Other similar majors to explore: Horticulture, Nutrition, Microbiology – see catalog.oregonstate.edu for more information.
- Foundation 100- and 200-level foundation math and science (see previous page) and some Baccalaureate Core are priority courses to complete before transferring to OSU.
- For FST students, the best time to transfer is fall term, particularly due to the series courses. Talk with an OSU advisor about your specific timeline.
- It is important to speak with your FST major advisor early on, and often, to ensure correct course selection and sequencing.

Resources and OSU Information:
- Students do not have to complete a transfer degree in order to transfer to OSU. If you’ve completed the Oregon AAOT, all requirements of the Baccalaureate Core are complete except for Synthesis Courses and Writing Intensive Courses.
- Preparing to apply to OSU? See admissions info: oregonstate.edu/admissions/transfer.html
- Want to take classes at both OSU and an Oregon community college? Check out the Degree Partnership Program: partnerships.oregonstate.edu/students
- Visit OSU for a campus tour and meet with an advisor; schedule your visit at visitosu.oregonstate.edu/visit-campus
- Grade requirements: see https://foodsci.oregonstate.edu/sites/agscid7/files/foodsci/attachments/fst-grading-policy.pdf for more information.

General Education Courses (called the Baccalaureate Core)

- Complete one course in each Perspectives category with no more than two in the same department.
- For full listing of courses that fulfill Baccalaureate Core, please refer to admissions.oregonstate.edu/baccalaureate-core-course-equivalencies-blue-mountain-community-college

| PERSPECTIVE COURSES | Biological Science | Often completed as part of major |
|                     | Physical Science | Completed as part of major |
|                     | Additional Biological or Physical Science | Completed as part of major |
|                     | Cultural Diversity | Many options, see BaccCore link above |
|                     | Literature and the Arts | Many options, see BaccCore link above |
|                     | Social Processes and Institutions | Many options, see BaccCore link above |
|                     | Western Culture | Many options, see BaccCore link above |

| DPD COURSE | Difference, Power, & Discrimination | Many options, see BaccCore link above |

| SYNTHESIS COURSES | Contemporary Global Issues | Upper division course, take through OSU |
|                   | Science, Technology, & Society | Upper division course, take through OSU |

It is important to speak with your OSU academic advisor early on, and often, to ensure correct course selection and sequencing. Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. See your community college advisor first and use this Transfer Guide to help you plan. Also, consider visiting OSU to take a campus tour and meet with an advisor. See visitosu.oregonstate.edu/visit-campus to schedule your personalized visit.
