

TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered Through:

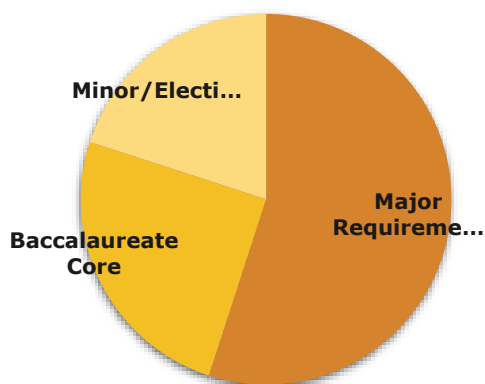

CORVALLIS

Linn-Benton Community College

Food Science and Technology

As Alton Brown says, “All food is science”, and nothing could be truer. Food science, and related technologies, are at the heart of the development and delivery of safe, appealing and convenient food products, at every step from the farm gate to the food marketer. The academic program integrates principles and concepts in the physical, biological and engineering sciences, and applies them to the scientific and technological aspects of food processing. Graduates are well prepared to address the complex undertaking of assuring an abundant, high quality, nutritious and sustainable food supply.

Your Bachelor’s Degree (BS) in the College of Agricultural Sciences

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor’s degree at OSU.
- Only courses with letter prefixes and numbers above 100 can be accepted.
- Some courses can count towards your major and the Baccalaureate Core. Check with your advisor.
- Options available. See “Important Notes”.
- See the OSU Catalog for a list of courses required for your major and option: catalog.oregonstate.edu
