

**Oregon Grass and Legume Seed Crops Preliminary Estimates, 2014.<sup>1</sup>**

| Species                         | Area Harvested | Yield per acre | Production     | Price      | Value of production |
|---------------------------------|----------------|----------------|----------------|------------|---------------------|
|                                 | (acres)        | (lbs.)         | (000 lbs.)     | (\$ / cwt) | (000 \$)            |
| <b>Grass</b>                    |                |                |                |            |                     |
| Annual ryegrass                 | 120,830        | 2,227          | 269,077        | 27.00      | 72,651              |
| Perennial ryegrass              | 112,230        | 1,680          | 188,451        | 84.00      | 158,299             |
| Tall fescue                     | 136,385        | 1,610          | 219,599        | 68.00      | 149,327             |
| Kentucky bluegrass              | 13,205         | 1,377          | 18,181         | 126.00     | 22,908              |
| Rough bluegrass                 | 812            | 1,046          | 849            | 198.00     | 1,681               |
| Orchardgrass                    | 12,771         | 836            | 10,677         | 112.00     | 11,958              |
| Chewings fescue                 | 8,086          | 1,337          | 10,811         | 100.00     | 10,811              |
| Red fescue                      | 9,045          | 1,270          | 11,484         | 103.00     | 11,829              |
| Hard fescue                     | 1,626          | 1,178          | 1,916          | 104.00     | 1,993               |
| Colonial bentgrass              | 2,650          | 492            | 1,304          | 270.00     | 3,521               |
| Creeping bentgrass              | 2,910          | 657            | 1,912          | 334.00     | 6,386               |
| <b>Total Grass</b>              | <b>420,550</b> |                | <b>734,261</b> |            | <b>451,364</b>      |
| <b>Legume</b>                   |                |                |                |            |                     |
| Alfalfa                         | 5,184          | 848            | 4,395          | 272.00     | 11,954              |
| Red clover                      | 13,137         | 728            | 9,564          | 187.00     | 17,885              |
| Crimson clover                  | 12,777         | 979            | 12,509         | 160.00     | 20,014              |
| Common vetch                    | 531            | 1,326          | 704            | 53.00      | 373                 |
| Hairy vetch                     | 1,125          | 596            | 670            | 125.00     | 838                 |
| White clover                    | 10,443         | 457            | 4,768          | 225.00     | 10,728              |
| Arrowleaf clover                | 200            | 500            | 100            | 70.00      | 70                  |
| <b>Total Legume</b>             | <b>43,397</b>  |                | <b>32,710</b>  |            | <b>61,862</b>       |
| <b>Total Grass &amp; Legume</b> | <b>463,947</b> |                | <b>766,971</b> |            | <b>513,226</b>      |
