Camellia
Darkened, not “crispy”
Camellia japonica

Clearly visible on both sides...
This is scorch... not *P. ramorum*
Diffused margins of infection
Camellia sasanqua

‘Jean May’

“Water-soaked” appearance
Darkened margin around infection
Where water accumulates
Camellia sasanqua ‘Jean May’
Camellia sasanqua ‘Cleopatra’
Camellia sasanqua ‘White Doves’
Camellia sasanqua ‘Jean May’
Camellia sasanqua ‘Apple Blossom’
Camellia sasanqua ‘Setsugekka’
