

ER Jackman Friends and Alumni provides financial assistance to students majoring within the College of Agricultural Sciences. You are invited to join us through donations to the College. The OSU Foundation is a 503-C, non-profit organization that houses our endowments dedicated to providing support for students through funding awarded by the College's Academic Program's Office.

E. R. Jackman Friends & Alumni

**In 2021-2022 from ER Jackman Funds:**

Sciences

ER Jackman Friends and Alumni is the College's membership organization for our alumni and friends. This group of dedicated volunteers actively plans, participates in, and supports student programs, alumni relations, and friend building on behalf of the College.

---

**Consider joining ER Jackman Friends and Alumni** through a donation to one or more of our funds. Current use gifts may be directed to any of our programs. We have three major endowments:

**General Scholarship Fund:** used for scholarships awarded through CAS Academics; two new scholarship endowments were added this year to our portfolio: The Dr. Thayne and Margaret Dutson and the Dr. Roy and Jane Arnold were established by their friends and colleagues and award amounts overseen by the Board. The first two awards have been made for the 2022-2023 academic year with ER Jackman funds.

**Enhancement Fund: used for special initiatives, enhancement of other projects,** e.g. for emergency support for students, and service-learning trip to Puerto Rico (2022)

**Unrestricted Fund:** internship support, beginning research, and administrative costs for annual meeting
