OFFICE CLOSED
TO PUBLIC TRAFFIC

In an effort to reduce the spread of COVID-19 and respond to the public health emergency, OSU Extension and Research Center locations are closed to the public beginning March 16, 2020, until further notice.

We are exploring a variety of ways to continue to serve our communities during this time, including remote educational programming.

We are still available via phone, email and video conference call.

For questions or more information, please contact us:

We regret the inconvenience and thank you for your understanding.

Please be safe by washing hands thoroughly and often, avoiding crowds and practicing social distancing.
