

14 High-Quality Webinars and 6 In-Person Events

This season, we are planning 14 webinars and 6 in-person events. Each course features a variety of speakers from industry, academia, and government. Our recertification training events are focused on the proper use of pesticides, which includes Integrated Pest Management (IPM).

- All of our webinars are four hours long and cost \$80 per person. Each webinar offers four credits for pesticide applicator recertification.
- Webinars begin promptly at 8:00 AM and conclude by 12:00 PM.
- Tailor your recertification experience by picking the most relevant topics to your industry and interests.
- You can view the agenda for each 4-hour session on the [PSEP website](#).
- Registration closes at 7AM (PST) the day of the selected webinar.

Online Registration For All Events

You can register for multiple events, view all of your sessions, and change plans as needed. OSU is not accepting checks or paper registration forms. For help with registration, contact OSU Conference Services at conferences@oregonstate.edu.

Webinars with Zoom are Convenient and Diverse

Browse the agenda topics on our website to customize your experience. You will need an email address and an internet-connected computer, tablet, or smart phone. We will send an email confirmation and an email reminder before the webinar. If you don't see the emails, be sure to check your spam/junk folder.

Certification Exam Prep Classes

Do you have team members who need to obtain a pesticide applicator’s license?

Some people don’t learn very well by reading the manuals, and everyone needs a little help with the math!

If you like learning in a classroom setting, register for one of our events below.

Pre-Certification In-Person Trainings (2 days: 8AM to 4PM each day) \$225

Wed 10/04/2023 to Thur 10/05/2023
in **Portland** at Food Innovation Center

Wed 12/13/2023 to Thur 12/14/2023
in **Albany** at Linn County Expo Center

Mon 3/04/2024 to Tue 3/05/2024
in **Albany** at Linn County Expo Center

If you like learning online, use this set of modules instead of the two-day class, at no cost!

REGISTER ONLINE TODAY: <https://beav.es/iSX>

On-Demand Recertification

Unable to attend a scheduled session? PSEP also offers recertification options that can be taken from the comfort of your home or office when YOU need them! You can register and view them at any time. Credits are tracked and reported to ODA just like our regular recertification course. Each session offers 1-2 credits, at \$35 per session.
